

Flip and Flop went for a quick ride on their space boards.  
They saw 3 spiral galaxies, 4 elliptical galaxies and  
6 irregular galaxies. How many galaxies did they see in all?

For Christmas, young Leonardo da Vinci painted 3 paintings for  
his grandfather Antonio, 4 paintings for his  
father Ser Piero and 2 paintings for his uncle Francesco.  
How many paintings did he paint in all?
