

Two Two Two

(Music and Lyrics by Mr I-Yurgen Ilaender)

Two, two , two, I like the number two
Hello, Bonjour, How are you?
Two eyes, two feet, two clapping hands
Come on grab an instrument and join the band
Let's hear those maracas
2,4,6,8,10,12,14
Buenos Dias, It's great to see ya
16 18 20 22
I'll say Annyong if you're from Korea
24 26 28 30
Good-day, Ciao, Guten Tag
32 34 36 38 all the way to 40
And that's enough
(Come on, shake those tambourines)
Two, two, two, I like the number two
We can be friends, me and you
Two hands, two arms, two laughing eyes
Let's sing together as we multiply

2x1 is 2 (repeats on all), 2x2 is 4, 2x3 is 6, 2x4 is 8 , 2x5 is 10, 2x6 is 12

Come on let's go, we'll say hello to all the children of the world
Namaste, Sat Sri Akal, Ni Hao, Konnichiwa What?
2x7 is 14 (repeats) 2x8 is 16, 2x9 is 18, 2x10 is 20, 2x11 is 22, 2x12 is 24,

Two, two, two, I like the number two
Jambo, Aloha, to all of you
Two eyes, two hands, two stomping feet
So many new friends we did meet

Ouch you stepped on my foot
Well you said to stomp your feet
Yes your feet, not stomp on my feet
Oh Oh, be careful, don't hit that Chinese gong too hard
